

UNLOCK YOUR LIVER'S HEALTH

ANTI-INFLAMMATORY ANTIOXIDANT WAS ANTI-VIRAL WITH IMPROVED FUNCTIONING

Your liver works hard for you. From removing all toxins, adjusting cholesterol levels to building proteins and making bile (which helps you absorb fats, stores sugar for when you really need it and regulates hormone levels). This is why it is important to help repair, strengthen and protect your liver. Using Liver Booster daily will do it all for you. Made with a combination of natural ingredients, your liver will perform at its peak.

May help protect the liver against damage caused by disease or poisoning. May also help reduce liver inflammation.

Shittake boosts the IMMUNE SYSTEM

May help lower cholesterol and may reduce your risk of heart disease. May help boost your immune system. May help fight cancer. May have antimicrobial properties. May improve your bone density.

Zinc essential minerals reduces INFLAMMATION

May effectively reduce inflammation, boost immune health, reduce your risk of age-related diseases, speed wound healing, and improve acne symptoms.

Licorice root helps treat **HEPATITIS** C

May help treat hepatitis C. Additionally, may have potent antioxidant, anti-inflammatory, and antimicrobial effects. Early research suggests that, as a result, it may ease upper respiratory infections, treat ulcers, and aid digestion, among other benefits

Pepper extract is high in ANTIOXIDANTS

 High in antioxidants to fight damage to your cells as well as effectively fight inflammation. May improve blood sugar and lower cholesterol levels. It may also promote gut health, offer pain relief, and reduce appetite.
